7. Pilot Notes (for those of you flying in):

- **Ensure you study the RED DEER VFR TERMINAL PROCEDURES** as CEM4 is within the designated area.
- **Within 25 of Red Deer Airport, transmit aircraft position and pilot's intentions on the Alberta-Red Deer Common Frequency 122.875.**
- Announce joining/landing intentions at least 5 nm out of CEM4 on ATF 123.0.
- Expect gliding activity and parachuting at CEM4. Monitor the CEM4 ATF 123.0 for traffic. The towplane and glider will takeoff on the runway, the glider will land on the grass to the west of runway 16/34 and the towplane will land on the grass to the east of 16/34. The jumpers will be landing east of 16/34.
- CASARA members will be marshalling aircraft. Parking will be on the grass, on the northeast side of Runway 16/34.

8. Glider Familiarization Flights:

- The Central Alberta Gliding Club has offered AFA great reduced rates for Famil Flights. \$75 for a 2,000' AGL tow and \$100 for a 3,000' AGL tow. Famil Flights will be available Friday, Saturday and Sunday. If you are interested in a Famil Flight, email Lloyd at [lloyd@angelflightab.ca](mailto:lloyd@angelflightab.ca). He will need to know the day you would like the flight and how many people would like a flight.

9. Tandem Skydive

- Alberta Skydive Central offers 10,000 foot Skydive (40-second of freefall + 3 – 5 minutes of parachute flight. We can get a group rate of \$299 per person (need 2 or more) but need someone to sign up for a jump to get a group id number. If you are interested, email Lloyd at [lloyd@angelflightab.ca](mailto:lloyd@angelflightab.ca) or call him at 780-831-8745 to get the jumps organized.
